## TECHNICAL DATA SHEET BELT DRIVEN ENGINE DRIVEN COMPRESSOR

**Series: C-Engine Honda Petrol**

### Engine Driven Series

*A comprehensive range of Honda petrol engine driven lubricated compressors incorporating the cast iron pump unit. Made in the EU with power ranges from 4 to 9 HP and tank capacities of 22 to 270 litres and pressures up to 10 Bar.*

## TECHNICAL DATA SHEET BELT DRIVEN ENGINE DRIVEN COMPRESSOR

### >>Principal characteristics

- High noise reduction
- Forced ventilation
- Pumping unit with cast-iron cylinder for a long working life
- Finned manifold for air cooling
- Silencer on suction
- Robust steel guards to added protection
- Full accessibility of mechanical parts
- Versions on tank with two fixed rear wheels, two front swivel wheels and a convenient handle for easy transport

### >>Belt Driven Aluminium/Iron Pump

- Superior volumetric efficiency
- Fast dissipation of heat through the use of after coolers
- High air flow flywheels
- Oil sight glass

### >>Service Kit Piston Compressor
